

IRDR Conference 2011

Oct. 31 - Nov. 2, Beijing

Disaster Risk: Integrating Science and Practice

Hosted by the Integrated Research on Disaster Risk Programme and
the China Association for Science and Technology

Panels will include three members: one from IRDR, one representative from CAST, and one guest panelist.

Breakout sessions will each include four speakers giving 15-minutes talks, with time for questions
and discussion at the end of each session.

Monday, October 31
