## IRDR Conference 2011

Oct. 31 - Nov. 2, Beijing  
[www.irdrinternational.org/conference2011](http://www.irdrinternational.org/conference2011)

*Why, despite advances in the natural and social science of hazards and disasters, do losses continue to increase?*

*To what extent is the world-wide growth in disaster losses a symptom and indicator of unsustainable development?*

# Disaster Risk: Integrating Science & Practice
