

Incident management: working together to protect people, communities and the environment

Chris Wilding

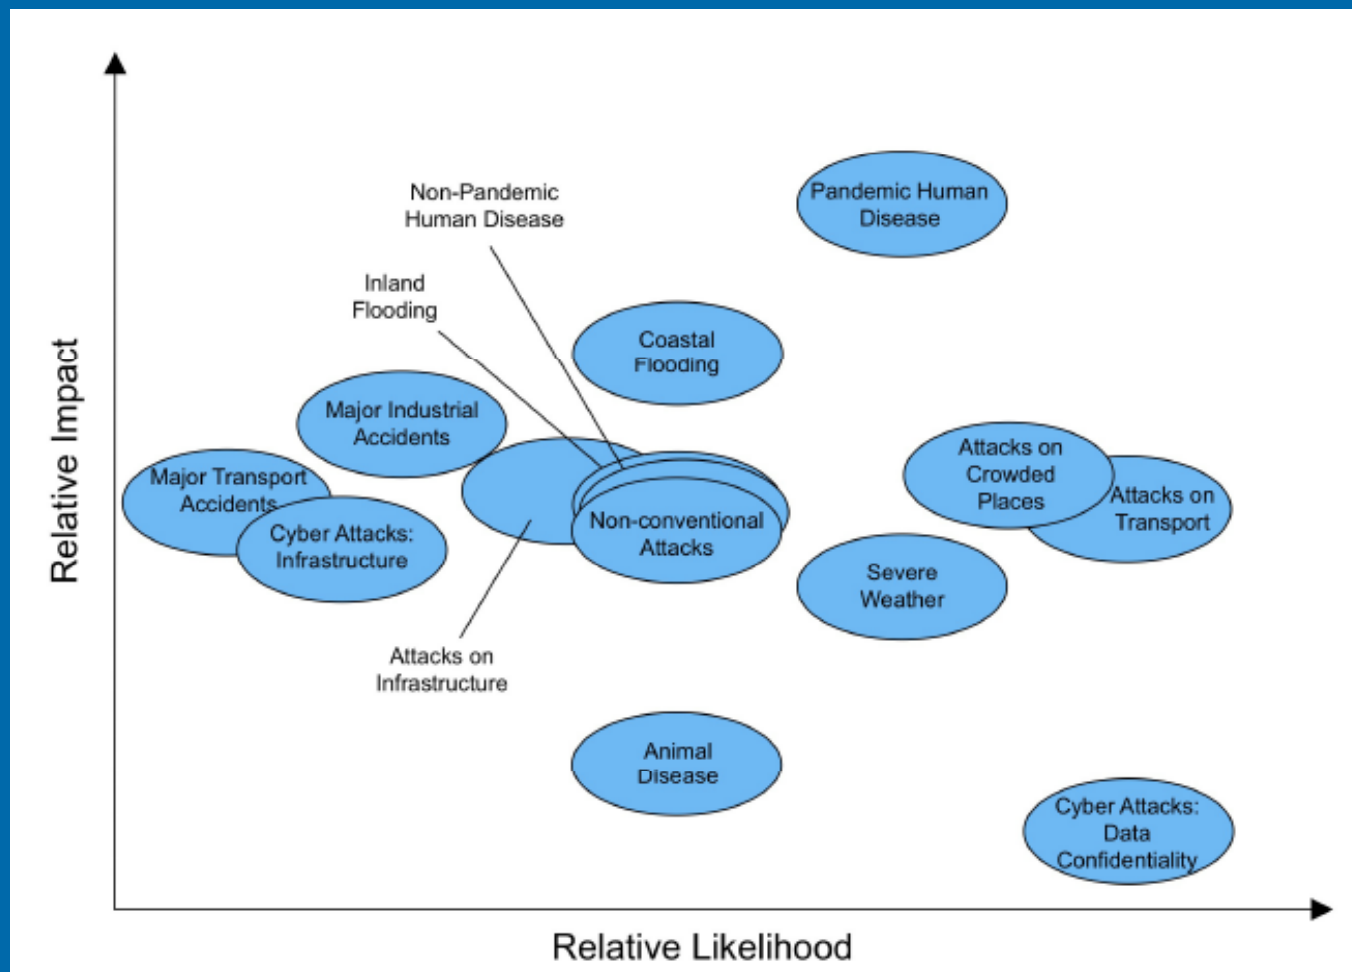

Manager, Incident Planning

15 June 2010

Some recent major incidents

Risks facing the UK

Civil Contingencies Act 2004

➔ Part 1 – local arrangements; Part 2 – emergency powers

➔ Local Resilience Forum (LRF)

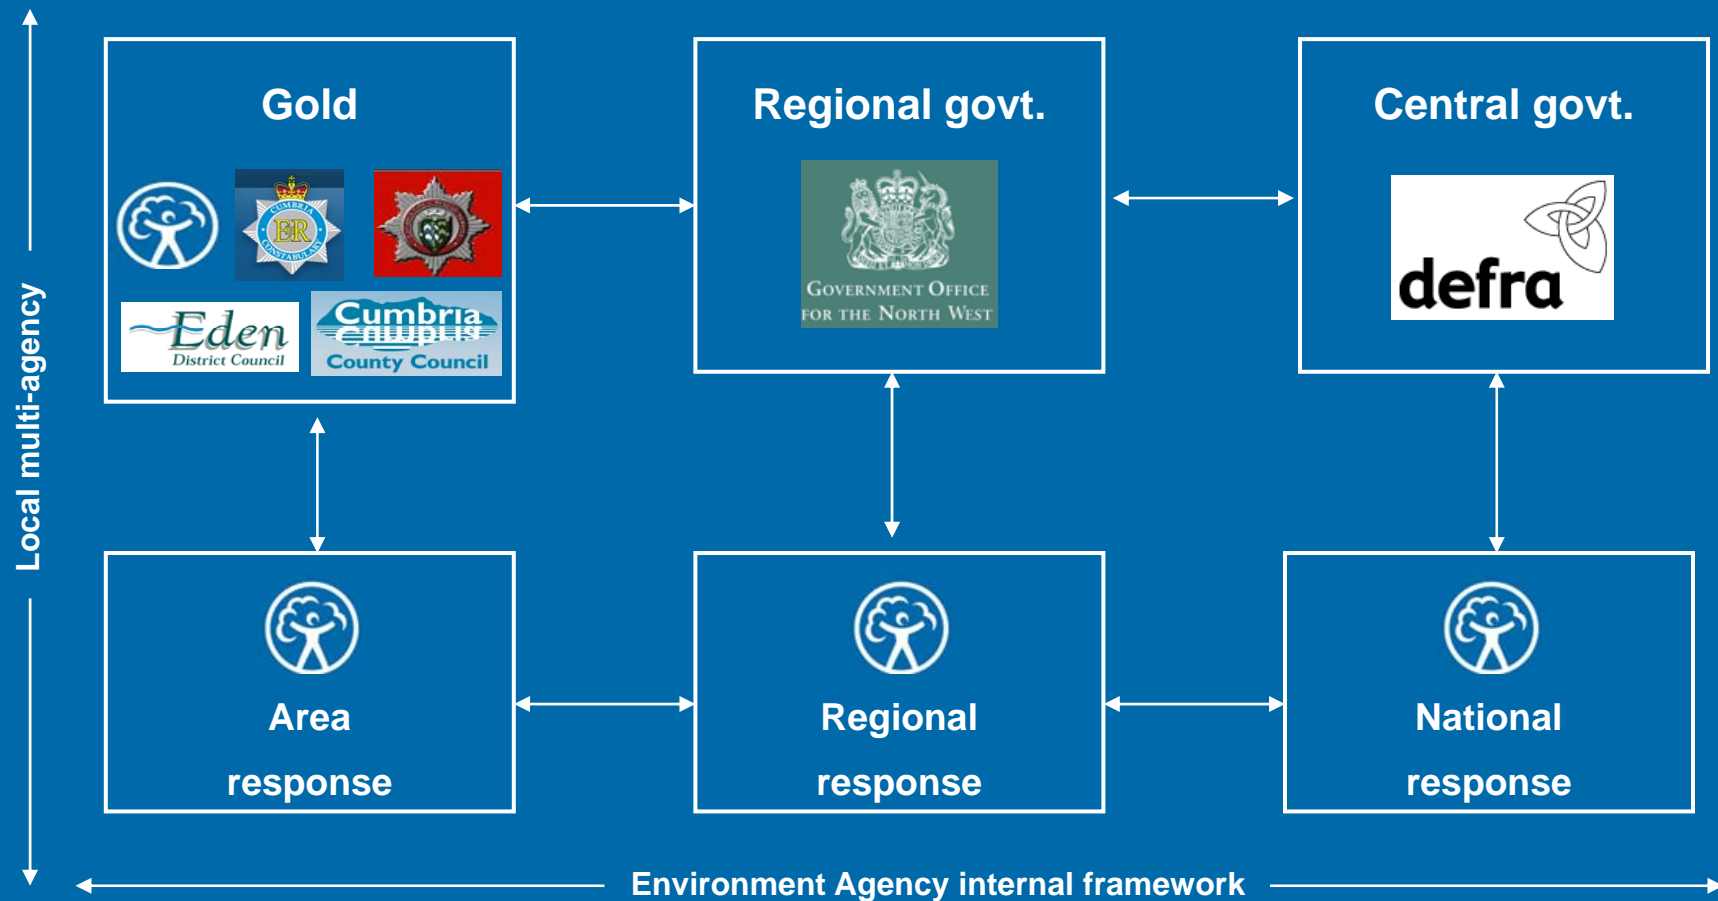

➔ Category 1 responder duties:

- ➔ Assess the risks
- ➔ Put emergency plans in place
- ➔ Arrangements for warning and informing the public
- ➔ Co-operate and share information
- ➔ Business continuity

Responding to the Cumbrian floods

Cumbria flood response framework

Holistic approach

Strategic challenges

- ➔ Managing expectations of partners and the public by working together effectively
- ➔ Doing more with less
- ➔ Consolidating and maintaining
- ➔ Climate change
